

# September 18

Nicholas. His grandmother called today asking for prayer. He has ulcerative colitis and no medication is working for him. He is 21 and just feels like his body is shutting down and is in so much pain. Can we pray for relief for him, healing, and that he draws close to the Lord in this time.

Liliane

prayers for pastor, to be protected from burn out as others are caring for him! thank-you

Jason

PRAYER Requests: 1. My friend Shirley is hurting because her daughter is starting to spread her wings. Shirley is also suffering from Toothpain. I do not know if she is a believer. 2. That my estranged daughter will follow the Lord. 3. That I will make it through with peace on the 3rd Anniversary of my son's death on Friday. 4. That the Lord will guide my steps even more as I try to improve my health. REPORT: My car died and has been sent to the crusher, so I have decided to save up for a few months before buying another car. Pray that the Lord will show me a viable vehicle to drive when it's the right timing.

Pat Biggam
