

# October 9

Stefan and Carmen

Praise the LORD, all went well with Stefan's coronary angiogram. The whole procedure went a lot quicker than expected, and there was no heavy bleeding afterwards. We are also grateful that it was done through Stefan's wrist and not by inserting the catheter into the leg which would have taken much longer to heal. Thank you for praying, dear prayer partners.

Alisha Drapeau

Prayers for Florida. Our friend Jay and his family are there..he texted me. He has had 12 tornado warnings and is expecting over 230 km hr winds..248 miles/hr.

Gayle Powers

Afternoon Prayer team. PRAYERS, please for Florida. They are being bombarded with strong tornados from the hurricane and it's still hours away. They are in real trouble.

Alisha Drapeau

Prayers for my vision. I have had rapid progression of far sightedness.

Diane in Shawinigan QC

Prayers for those in the path of Milton, and for those recovering from the last hurricane

Jacqui

Please lift up my family and friends in Florida...some folks have not even got over Helene and along comes Milton category 5 & thats a whopper 🤔🙏🙏🙏🙏🙏

Alisha Drapeau

Prayers for Jacob.. he is having some odd new movements, his left shoulder and sometimes a limp. His developmental pediatrician is going to let the neurologist and possibly the nurse at the childrens hospital know.

Betty

Prayers for my friend angels' Husband - he has a black spot in his lungs.

Renee Richards

Shalom all, pls pray for my father-in-luv. Last night he had a stroke, we live in a small town, so he had to be flown out to be admitted to the stroke clinic. So he is about 5 hrs

away from us...pls pray for complete healing ❤️🩹 ,  
including the return of his eye site, & that he will see how  
the Lord is taking care of him. Thk u so much!!!

Jason Andrew Tkacs

Please pray for me and the people of Florida while  
hurricane milton hits us

Pat Biggam

Hello praying partners. Great to be with you. Please keep  
praying for my friend Edna who has finished her 1st round  
of cancer treatments and has 6 more rounds. Edna loves  
the LORD.

Lois LindsayRoy

My sister Marie fell in the bathtub & her husband couldn,t  
get her out of the tub & she has cancer too in her bowels  
too. they are keeping her in the hospital as she is in a lot  
of pain & her husband has health problems too - his name  
is Gil they - are both in their 80, they don,t follow the Lord  
but they know about the Lord

Alisha Drapeau

Prayers that our Canadian government will put a stop to

these terrible so called protests in the streets calling for genocide. They have started calling for death to Canada and destroyed our flag. They are very hypocritical. The convoy protest was peaceful and look what they did to them, yet they are allowed to incite hate.

Jason Andrew Tkacs

I suffer from anxiety - please keep me in your prayers

Pat Biggam

Prayer for Hurricane Milton expected to hit FL coast tonite. Prayer also for all those suffering the devastation of Helene.

Pat Biggam

Prayer for those in leadership in Israel who are deliberating on next steps in the war - they are fighting on five fronts. May they seek the Lord's wisdom.

Cathy Hillier Winters

Praying for Florida, Israel and for clear direction and favour.

Lisa Elder

Please pray for my neighbor Mark who is going to have

heart cauterization on October 16.

Lisa Elder

Please pray for my dog Sarah who is going to have a mass removed by her ear on October 15.

Linda Humbert-Hale

let us speak to the winds of hurricane milton as Scripture tells us: Peace Be Still, ! in Jesus Name!

Katie

if you could pls pray about my ibs I am having stomach pains after having lactose -I am now rejecting dairy. I have not eaten dairy for so long my body doesn't like it anymore and eat applesauce or just crackers

Diane in Shawinigan QC

Prayers for my son Éric; he needs a miracle for his health, his job, his finances, and his marriage, thank you.

Myra Wickert

Pray Shirley will be healed from strong pains in her

stomach. She will have x-rays on her stomach... She is saved

Teresa Saccucci

Pray for my family and friends to give their life to the Lord.

Matt Bradford

Pray for Steve a man in Florence AL who has cancer and high potassium, high BP keeping him in ICU.

Alisha Drapeau

Prayers for one of our next door neighbors children, one of their daughters fell a week ago down the basement stairs and broke her leg. She has a full length air cast on from the top of her leg all the way down to her ankle. Also prayers for their salvation.

Jason Andrew Tkacs

Please pray for another for a great revival in America

Inez

Please pray for various kinds of victory for me and my son.

Laura Kollanus

God, help me. I sleep during the days and im awake in the nights. I need total freedom. God is good. Laura from Finland 

Claude

Please pray for Estelle who suffers with depression and anxiety.
