

December 11

Faycal & Susan pray for William for his salvation and his recovery from hip surgery.

We will also pray for Rebecca's wrist surgery on Friday.

Rebecca - hello wonderful prayer partners! We know the LORD moves when we pray, and I would appreciate your prayers as I am undergoing surgery this coming Friday to have a tumour on my wrist removed and biopsied. It is pressing against the ulnar nerve and artery. Please pray for the doctor and nurses hands as they will have to be very cautious when removing the tumour to not cause damage to this nerve and artery. Please also pray for good results from the biopsy and no evidence of cancer to be found. I am also praising God for the overwhelming peace I feel, knowing He has this in His hands.

Alisha Prayers for my brother Philip. He was sent to the hospital from the drs office 2 days ago with constant aching chest pain. Still having the pain but thankfully all tests were normal. Prayers for his healing and salvation.

Alisha prayers continued please for Kaitlyn's choking issue, it is back to happening pretty much every day now. We bought her an emergency rescue product which we pray we will never have to use. Her surgeon has a follow up phone appointment with her on the 20th.

Diane in Shawinigan Quebec Prayers please for all people battling cancer, in particular, Sharon, Ben, Lucy, Hollis, and my friend, Christine's friend (whose name I don't know); prayers also for their salvation.

Renee Richards Remember the prayer I asked for my small community of Emo ON, well, even tho' they were fined, they are not being forced to hang a PRIDE flag. PTL..!!! its all a long story, but the Lord is using it; in fact, the story has actually gone INTERNATIONAL. Sky News Australia & Epoch News here in Canada have published articles about parts of the story. GOD IS SO, SO, So...GREAT!!! So much more than my heart can express!!!

Betty Father, help the people that are having mental issues in understanding your truth. Amen

Diane in Shawinigan Quebec Please pray for my childhood friend, Marcel's sister; I don't know her name; she applied for assisted-suicide and that will happen I believe before Christmas; Marcel is not saved, and neither is his sister.
