Prayers for baby Jude, he may need heart surgery, but he went to London, ON from Pikangikum, ON with pneumonia & was having seizures as well. His heart has had difficulty regulating. Meredith & Arnold and some of the family have been able to join, but there is an extreme stronghold of the enemy on this community. Baby Jude's mom is saved for sure, not sure of the Arnold, but can we pls pray for a miracle, so the community will see God's Mercy & Love & He would receive ALL GLORY & PRAISE.
