Faycal and Susan Harkati2m

Tthanks for praying for Laurie she is home from hospital

Alisha Drapeaunow

Prayers for the safety of American Christian singer Sean Feucht who has come here for a free concert. He was getting death threats to him and his family and to the venue where we were all supposed to go tonight. He has changed the location. Prayers for safety for him and all who attend. It is further than originally so I cannot go. Prayers for those wanting harm to be changed and saved.
