Prayers for an ultrasound appointment soon. I have fibroids. I was referred in March also for health issues.

**Jason**

1. That my estranged daughter would follow Jesus;
2. That my believing friend Steve would find peace and take better care of himself;
3. That my friend Shirley would be healed from a genetic problem of her

teeth cracking. She is in immense pain and has to wait weeks before she can get them pulled and replaced with dentures;

4. That my country Canada will repent of the culture of death through MAiD and abortion and the lies associated with the gender agenda.

## **Alisha Drapeau**

prayers for the salvation of Putin and all Russians

## **Anita**

please pray for America. Thank you!

## **Phyllis Beaver**

Please continue to pray for my sister, Priscilla. I spent the past week with her in Southern California and she's struggling daily to survive. Looking to the Lord for relief in the coming days as they are seeking more diagnostic evaluation. Her vitals are good but the problems are nasal congestion and inability to swallow.

We are trusting the Lord that His will be done. Thanks so much for your prayers.
