1-Please pray for my daughter, Melany's health, as she undergoes medical testing, believing the results will be negative in Jesus' name, as she is a born-again Christian.

2-Please pray for the deliverance of the souls of our children and grandchildren, and teachers alike, from deception and indoctrination in schools and the media, and to give them wisdom and discernment of the truth of God.

3-Let us pray for a great increase in new believers in this generation to receive salvation, and for God to be glorified through our prayers, in Jesus' name, amen.

Please pray that God grants us wisdom in this time to discern truth from falsehood (including from AI) and helps us see the world through Jesus' eyes rather than human perspectives. Let us remember Jesus' words

about the signs of His coming and the end of the age: "Take heed that no one deceives you" (Matthew 24:3-4). Pray that we remain vigilant and not be deceived.

PRAISE REPORT: My New Digs/Open House went smoothly and I got to witness to one of my friends! It seems that my friend and her husband once attended church regularly, so I pray that my witness will be another "drop" in the influence to bring them back. My friend got to meet 2 of the priests from the Cathedral I belong to. It all went well.
