

September 23, 2026

Diane from Shawinigan -- Prayers for my niece Brigitte - for her health, and for my son - for his health and finances.

Alisha Drapeau -- Prayers for Kaitlyn. Still having increased light headedness since the seizure a week ago.

James -- Pray for Canada and the end to wars.

Alisha Drapeau -- Prayers for a normal chest x-ray. I had it done yesterday. Prayers no issues and that the minor

pleural effusion I had on the right due to the benign cyst is gone.

Diane from Shawinigan -- prayers that all will go well for the injections in both of my eyes Friday afternoon

Diane from Shawinigan -- Prayers for salvation of all our lost loved ones, and prayers for Israel.

James -- Pray for Pat's back pain, prayer for the Middle East.

Gayle Powers -- Prayer please. New medications for Central Nervous System problems. It's not treating me kindly.

Myra-- Pray for Pam having Radiation & Chemo to help her be healed of Third Stage Colon Cancer She is saved

Elizabeth Jane Meyer -- Please pray for my niece Tersia who has Porphyria and is having a very bad attack...pray that they will find the funds for the treatment very soon.....love from South Africa..

Carol St Vincent -- Please  pray for a saved dear friend Cheryl who is caring for her ex-husband who ran into a tree and a son Nathan who is a drug addict for over ten years (not saved) a needed miracle in Jesus name

Cathy Hillier Winters -- Praying for God's favour and clear direction.

Alisha Drapeau -- Prayers for my mother's ankle it has been infected for weeks. A 5 day antibiotic did not work. Swollen red and very painful.

Diane from Shawinigan -- Praise Report: At the burial of my son's uncle last Saturday, my nephew who suffers from alcholism, and drugs, was sober, and everything went peacefully.

James -- Pray for rising grocery prices.

James -- pray for Brampton churches.

Gina -- Prayer for Uncle Bryan who is in a nursing home and fell and broke his hip. He is in surgery right now...I just got the message.

Linda Stocker -- Prayers please for me Linda from Québec I am saved. Prayers for quitting smoking since Monday.

James -- Pray for Jason who had a seizure.

Diane from Shawinigan -- Praise Report: All went well for my thyroid scan last week while I was in that machine I prayed all through the procedure and the Lord kept me calm.

Alisha D -- Praising God again that the cyst I had was benign

Teresa Saccucci -- Pray for my husband Enzo and my health.

Anita -- Pray for my husband Bill on Friday as he is facing yet another deep cksin cancer removal. We have told to plan on being in the office all day.
